DEDICATION

To you, Mr. George Heglund, for evidence of your great patience toward building our character to make our high school years unforgettable as well as our school's science program, we, the Senior Class, dedicate this 1965 annual.

We are indeed fortunate to have been able to work under a man who has shown interest in our lives, helped develop our character and academic living for our general well-being. With his friendly smile and helpful kindness, he has served as a fine example--an example that we can all be proud to follow.

During his five years with us, he has taught Biology and Algebra. He has also coached the "A" squad wrestling team.

We are indebted to you, Mr. George Heglund, for helping to make our dream a reality.

Dear
Thank Heaven for little boys! Especially Rob! You too! You were driving. What a mess I would be in if I had gone with one of the other guys. I'm such a good kid. (Sarcasm) My balloon is a little low on helium. I should have stayed out all night the way I felt the next day. I hope I didn't frighten you driving to Church, but the Lord was with us.
Isn't that a cute donkey.
Good luck with your Presidency. Did I ever congratulate you? Well here goes CONGRATULATIONS! And it's a long word.

We, as Seniors of 1965 shall always remember Parkers High as it was this past year. The students, the faculty, and all who have made this year great will hold fast in our memory. We shall miss the classroom, the activities, but most of all the friendly atmosphere given from all. The Prom, our Homecoming, Baccalaureate and Graduation have left us with many wonderful memories.

Now, as we leave for our flight into life's path, we wish to all of you God's Blessings. May you enjoy your High School Days like we did, and may your memories of them be as rich as ours.

The Junior-Senior Prom was held on May 9, 1964. Our theme was the Japanese saying, "Sayonara Seniors." The gymnasium was decorated in accordance with it. The colors were red and yellow and from the ceiling hung an assortment of Japanese lanterns. The center of the dance floor was set off by a colorful Japanese foot bridge.

JUNIOR CLASS PLAY

The Junior Class presented the challenging play "The Mouse That Roared." The cast consisted of thirty-two members with Mr. Johnston as our Director. The main idea of the play was that the tiny country of Fenwick tried to overthrow the United States government by infiltration.

SENIOR CLASS PLAY

The Senior Class presented the play "Papa Was A Preacher." It portrayed the many problems of a preacher, and his family. Their biggest problem was Miss Jonas, a sinister old lady, who was always finding fault with the preacher's family. The play was directed by Mr. Robert Johnston.

Finally the high school days are over for you. I suppose you are glad. But this summer and this coming year will be a very busy one for you. But I know you will have a lot of fun. These last few years have all been a pleasure. all those crazy bus rides and all. Some of them got pretty wild but you won't forget the times either. I bet you won't forget the time when I had to set up in the front because one of us boys had to sit in the front seat of the bus. Don't forget all those flying airplanes. oh well, those days are over for you but for me I guess. Some of those games took it pretty well. I bet you won't forget the time when I had to set up in the front because one of us boys had to sit in the front seat of the bus. Don't forget all those flying airplanes. oh well, those days are over for you but for me I guess. Some of those games were throwing the ball at the Westad stadium. all have to grin and bear it. I guess you caught a ball in the face wasn't so its one more year of the main thing. all those FFA were real fun. But the time when you survived which is the state convention. we sure did pretty good down there this year. especially the state of mine at the mall convention next fall. all probably see you this summer but if I don't I hop you take care of yourself.
